Expo Table Displays for AFA Airpower Symposium

The total area available to us for expo type displays in the Bayview Commonwealth Center is not extensive, but should be sufficient to allow you to set up a company display (free standing or a table) that is not larger than 10 x 10 feet. We will have a limited supply of portable tables (Approximately 30in by 80in). Please note that power will not be generally available. However, we know that there will be some locations where you can locate near a power outlet, but can't guarantee you that access. We recommend that you bring drop cords if you will need power. If you wish to man your display during the time when there are breaks in the Symposium, please do, but it is not required. Any questions please email Contact@LangleyAFA.org or call 757-504-8197 (D.J. Baylor).

Sponsor Golf Hole Display Sign

With a Platinum or Golf Hole Sponsorship your company name will be displayed on a portable sign on the tee box of a golf course hole. We will need an image file (png or jpg) of your company logo to print the sign. Please email your file to Contact@LangleyAFA.org or call 757-504-8197 with questions. General Instructions
Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form
A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
